

C3 Specialty Contractor Directory of Accredited Employers

C3 Accredited Employers attest to the following:

All workers are paid as employees of the company and not as independent contractors

All workers are covered by the employer's Workers' Compensation Insurance

All craft worker have earned an OSHA 10 credential

All field supervisors have earned an OSHA 30 credential

In addition, C3 Accredited Employers commit to developing a craft training program and reaching one of the following endorsement levels: (those not currently endorsed are Pre-Program and committed to working with C3 to create craft training programs for their workforce)

Recognized

Requirements:

1. Offers craft (skills) training
2. Tracks craft (skills) training

Leader

Requirements:

"Recognized" level plus defined career path for all craft positions and 2 of the following 3:

1. Offers a structured training program
2. Offers industry standard credentials for employees (if relevant)
3. Provides ongoing training for existing workforce

Champion

Requirements:

"Leader" level plus 2 of the following 3:

1. Learning and development programs linked to performance management of workforce, company goals, and/or metrics
2. Culture of people development, broad reach of development throughout all levels of craft workforce
3. Supports industry-wide workforce development
