

# C3 Specialty Contractor Directory of Accredited Employers

C3 Accredited Employers attest to the following:

- All workers are paid as employees of the company and not as independent contractors
- All workers are covered by the employer's Workers' Compensation Insurance
- All craft worker have earned an OSHA 10 credential
- All field supervisors have earned an OSHA 30 credential

In addition, C3 Accredited Employers commit to developing a craft training program and reaching one of the following endorsement levels: (those not currently endorsed are Pre-Program and committed to working with C3 to create craft training programs for their workforce)

## **Recognized**

Requirements:

1. Offers craft (skills) training
2. Tracks craft (skills) training

## **Leader**

Requirements:

"Recognized" level plus defined career path for all craft positions and 2 of the following 3:

1. Offers a structured training program
2. Offers industry standard credentials for employees (if relevant)
3. Provides ongoing training for existing workforce

## **Champion**

Requirements:

"Leader" level plus 2 of the following 3:

1. Learning and development programs linked to performance management of workforce, company goals, and/or metrics
2. Culture of people development, broad reach of development throughout all levels of craft workforce
3. Supports industry-wide workforce development
