

CONSTRUCTION CAREERS

THURSDAY, OCTOBER 27, 2016 | 7:00AM - 3:00PM | PASADENA MUNICIPAL FAIR GROUNDS

The Construction Careers Expo event draws a diverse group of students from around the Greater Houston area who exhibit an interest in construction as their future career path. Over **400 students** are expected to attend and participate in a variety of hands-on activities while learning about the many opportunities available in construction. None of this is possible without the support of volunteers and contributions. **Please consider lending your time, talent, or monetary contribution to this event to help a young person learn about Construction Careers.**
